ECHELON,

The [Foverver Night Never Day](#) Tour is happening NOW! Make sure to check out the band when they're in your city and bring a friend. This week we have lots of great new tools for you to use to spread the word about THIRTYSECONDS TOMARS...

[Click Here To Get The Code For The 30STM FanFeed](#)

One of our long-standing ECHELON tools is getting a make-over! We're relaunching the [30STM FanFeed](#) (formerly their newsring). The FanFeed is like a banner but it's continuously updated with the latest news from the band scrolling along the bottom.

Use the [code](#) to add this news ticker banner to your personal websites, MySpace/Xanga/LiveJournal pages, message board signatures, etc. and **get the latest 30STM news automatically delivered directly to your website!** Plus, make sure to use your [ONLINE LOG](#) to let us know where you placed the FanFeed.

Everyone that posts the 30STM FanFeed and uses the [LOG](#) to tell us where they placed it will be **entered to win a phone call from the band from the road...**

Help us get the news about 30STM spread everywhere online and watch out for exclusive surprises from the band only available on their FanFeed!!!
